

Dear Teachers:

The Scholastic Book Fair is coming your way (YAY!). We can't wait to help fill your classroom shelves with new books your students will love! And to make your shopping experience super-simple, we have...drumroll please...eWallet.

eWallet is a cash-free, worry-free digital payment account for families and friends to contribute to your classroom. With that extra boost from eWallet, you get to fill your shelves with more of the books YOU want. Plus, every purchase at the Fair—both in-person and online—directly benefits our school. Win-win!

Book Fair dates and times:

Ready to roll? Here's the easy set-up instructions for creating an eWallet:

1. Go to our Book Fair homepage:
2. Click on eWallet "GET STARTED" and then "CREATE eWALLET"
3. Sign in or create an account (if you do not already have one with Scholastic).
4. Look for the "SHARE" button to share your eWallet link with me at [\[redacted\]](#). Note: I will not have access to your personal account information.
5. Be sure to also share your eWallet link through email and social media.

We'll email our families the classroom eWallet links with a note to let them know about this awesome opportunity to contribute. Please feel free to reach out to me with any questions. Thank you for your support. We can't wait to get new books YOU choose into your classrooms!
